

CITRUS SOY

NATURAL SOLVENT DEGREASER

CITRUS SOY is a ready-to-use citrus soy based product with a wide range of applications. Formulated for institutional, industrial, and household use as a degreaser, cleaner, and deodorizer, leaving a pleasant citrus odor.

CITRUS SOY removes oil, grease tar, chewing gum, and dirty hand prints from walls and doors, scuff marks, bathtub rings, soot, smoke film, lipstick crayon marks and candle wax. It is especially effective as a grease trap degreaser. It is excellent for removing and dissolving adhesives and degreasing and cleaning parts in production and maintenance operations

CITRUS SOY may also be diluted with petroleum distillates for emulsifying heavy grease, rubber tire marks, asphalt, ink, and engine grease.

GENERAL USE

ALL-PURPOSE & DEODORIZING Works great for wiping down counter tops and deodorizing at this dilution.

SOAP SCUM Apply to bath tub, sinks and showers to break down build up from soap and other cleaning products.

DEGREASER cleaner degreaser apply to surface allow to stand several minutes then rinse with clean water. Breaks down heavy carbon build-up on grills. Rinse thoroughly.

CARPETS

PRESpray & SPOTTER Use CITRUS SOY to clean heavy grease and soiled areas of high traffic lanes. Spray heavy traffic areas and stains. Spray CITRUS SOY full strength on gum, lipstick and candle wax to remove from carpet.

INDUSTRIAL

TAR & ASPHALT To remove tar and asphalt apply full strength, allow to stand several minutes, agitate if necessary then rinse with clean water.

LIFT STATIONS Use CITRUS SOY to eliminate odors and break down grease and slime in lift station areas.

GREASE TRAPS For grease traps pour concentrate daily into traps. This will help prevent clogs and odors.

ADHESIVE & RUBBER REMOVER It is excellent for removing and dissolving adhesives and degreasing and cleaning parts in production and maintenance operations.

CAUTION:

EYE AND SKIN IRRITANT

In case of contact with eyes or skin, flush with water for 15 minutes. If irritation persists seek medical attention. If swallowed drink large quantities of water. Get medical attention. Consult MSDS for further information.
