

TILE - BRITE

MULTI-PURPOSE ACID CLEANER

TILE-BRITE is a multi-purpose bathroom cleaner. This cleaner is safe for use on acrylic, cultured marble, most ceramic tile, plastic, fiberglass, and porcelain. **TILE-BRITE** is designed to penetrate and remove stubborn bathroom stains including soap scum, mineral deposits, grease, and body oils. Always test product in an inconspicuous area on colored grout, fixtures and shower doors.

TILE-BRITE is ideal for using in conjunction with your restroom cleaning equipment. The safe blend of acids will not harm your equipment and will help clean stubborn grout. The product will save time and money through labor saving and the concentrated formula!

GENERAL USE:

HEAVY DUTY: Dilute product 4:1 for cleaning tile & grout. **TILE BRITE** will remove heavy build-up from mineral deposits, calcium and hard water stains in bathrooms. It will also work great to remove heavy alkaline residue in greasy kitchen floors

GENERAL CLEANING: Dilute product 10:1 for cleaning sinks, tubs and fixtures. **TILE BRITE** is ideal for the hospitality industry for removing soap scum, hard water build-up and light rust. The safe blend of acids will work immediate on tubs and sinks.

PRESSURE CLEANING: Dilute product 20:1 for cleaning stubborn grout and restrooms. **TILE BRITE** can be run through your equipment or applied by mopping method. Allow product set for 3-5 minutes to ensure the break down of soils and loosen the grime in the grout line. **TILE BRITE** will leave grout looking clean and bright.

**DO NOT USE ON MARBLE, GRANITE, TERRAZZO, NATURAL STONE,
LAMINATE OR CORIAN®.**

* Corian is a registered trademark of DuPont.

Please Follow Good Safety
Practices

**KEEP THIS AND ALL CLEANING PRODUCTS
OUT OF THE REACH OF CHILDREN**
