

BLUE CYCLONE

ALL-PURPOSE NEUTRAL CLEANER

BLUE CYCLONE is an excellent neutral cleaner with a wide range of applications. It works well in hot, cold or hard water conditions and is safe on all water washable surfaces. It contains no harsh alkalis, phosphates, solvents or abrasives. The non-rinsing formula does not leave detergent residue or hard water stains. It is concentrated for maximum economy of use.

BLUE CYCLONE is recommended for cleaning brick, laminated counters, tile, terrazzo, linoleum, vinyl, ceramic, porcelain, varnished hardwood, baseboards, fiberglass, plastic, rubber, metal and all water safe hard surfaces.

- ◆ **NEUTRAL pH**
- ◆ **FREE RINSING**
- ◆ **ALL SURFACE SAFE**
- ◆ **NON-TOXIC**
- ◆ **BIODEGRADABLE**

DIRECTIONS:

For daily auto scrubbing or damp mopping of floors use 2 ounces of **BLUE CYCLONE** per gallon of clean water in a solution tank or rotary floor machine. Moderately soiled floors may require 4-6 ounces of per gallon. Heavily soiled floors may need 6-8 ounces of per gallon. Spray or mop the solution on the floor surface and lightly scrub. Pick up the solution with a wet pick-up vacuum or squeegee and mop. Rinse the floor with clean water, but do not flood rinse. Hydrogen peroxide formula is free rinsing.

CAUTION:

EYE AND SKIN IRRITANT
Consult MSDS for further information.

Please Follow Good Safety
Practices

**KEEP THIS AND ALL CLEANING PRODUCTS
OUT OF THE REACH OF CHILDREN**
