

CITRUS CLEANER-ES

LIMONENE BASED CLEANER AND DEGREASER

CITRUS CLEANER-ES is a Limonene based product made from NEW GENERATION SURFACTANTS. This product is biodegradable, non-toxic, non-flammable and non-abrasive. It easily removes tough oily, greasy hard to clean stains leaving a pleasant citrus fragrance. It performs well in hot, cold, or under hard water conditions. It is highly concentrated for maximum economy of use. This product enjoys the quality of being an excellent general purpose cleaner and degreaser while not being hazardous compared with flammable solvent type degreasers.

CITRUS CLEANER-ES is recommended for cleaning sealed and unsealed concrete surfaces, industrial equipment, automotive parts, and machinery. It works well on carpet, fabric, clothing, hard surfaces, brick, metal, chrome, vinyl, glass, laminated counter tops, fiberglass, and plastic. It can be used as an all-purpose cleaner for decks, boat hulls, and other types of marine equipment.

GENERAL USE

Recommended dilutions depend on soil conditions. For normal soil add 2-4 oz per gallon of water. For heavy soil, add 15-20 oz per gallon of water. For light cleaning and degreasing, add 1-2 oz per gallon.

- * Apply with a brush, mop, sponge or pressure sprayer.
- * Allow solution to penetrate for 3 to 5 minutes.
- * Rinse thoroughly with clean water.

KITCHEN AND RESTAURANT DEGREASER it is excellent for kitchen walls, floors and other areas where animal fat and oils are used.

HEAVY DUTY DEGREASER

EQUIPMENT & ENGINES: Dilute 4:1 for tough degreasing jobs. Engines and dirty equipment will come clean with this heavy duty formula. Highly alkaline formula will provide extra boost needed to cut through tough grease and oily build-ups.

SHOP FLOORS & OIL BAYS: Using this product for routine maintenance on shop floors and oil bays will help provide a safe working environment.

CAUTION:

EYE AND SKIN IRRITANT

In case of contact with eyes or skin, flush with water for 15 minutes. If irritation persists seek medical attention. If swallowed drink large quantities of water. Get medical attention. Consult MSDS for further information.
