

CLEAR BLUE

CONCENTRATED MULTI-SURFACE & GLASS CLEANER

CLEAR BLUE is a concentrated, economical, ammoniated glass cleaner designed to be diluted with up to 20 parts water. Windows, doors, and mirrors will sparkle with an ease you never thought possible. Fortified with ammonia to provide a streak free shine. This product will not leave unsightly streaks and spots.

CLEAR BLUE is designed to penetrate film and retard soiling. It is formulated for cleaning glass, ceramic tile, porcelain, plastic and enamel. Ideal for use on appliances, countertops, automobile windows, fixtures, patio furniture and much more. Stainless steel surfaces come sparkling clean with just a wipe.

CAUTION:

EYE AND SKIN IRRITANT

In case of contact with eyes or skin, flush with water for 15 minutes. If irritation persists seek medical attention. If swallowed drink large quantities of water. Get medical attention. Consult MSDS for further information.

Please Follow Good Safety
Practices
