

EZEE BLUE

HEAVY DUTY CLEANER AND DEGREASER

EZEE BLUE is a concentrated extra strength degreaser made from NEW GENERATION SURFACTANTS. This product is biodegradable, non-toxic, non-flammable. It is an excellent cleaner and degreaser with a wide range of applications. It performs well in hot, cold, or under hard water conditions. It is highly concentrated for maximum economy of use. This product enjoys the quality of being an excellent general purpose cleaner and degreaser while not being hazardous compared with flammable solvent type degreasers.

EZEE BLUE is recommended for cleaning sealed and unsealed concrete surfaces, industrial equipment, automotive parts, and machinery. It works well on carpet, fabric, clothing, hard surfaces, brick, metal, chrome, vinyl, glass, laminated counter tops, fiberglass, and plastic. It can be used as an all-purpose cleaner for decks, boat hulls, and other types of marine equipment.

GENERAL USE

Recommended dilutions depend on soil conditions. For normal soil add 2-4 oz per gallon of water. For heavy soil, add 15-20 oz per gallon of water. For light cleaning and degreasing, add 1-2 oz per gallon.

- * Apply **EZEE BLUE** with a brush, mop, sponge or pressure sprayer.
- * Allow solution to penetrate for 3 to 5 minutes.
- * Rinse thoroughly with clean water.

PRESSURE WASHING AND STEAM CLEANING: Dilute solution or adjust mixing controls to achieve end use dilution of 1:20-1:40 for normal soil.

KITCHEN AND RESTAURANT DEGREASER EZEE BLUE is excellent for kitchen walls, floors and other areas where animal fat and oils are used.

HEAVY DUTY DEGREASER

EQUIPMENT & ENGINES: Dilute **EZEE BLUE** 4:1 for tough degreasing jobs. Engines and dirty equipment will come clean with this heavy duty formula. Highly alkaline formula will provide extra boost needed to cut through tough grease and oily build-ups.

SHOP FLOORS & OIL BAYS: Using **EZEE BLUE** for routine maintenance on shop floors and oil bays will help provide a safe working environment.

NO GREASE IS TOO TOUGH!
