

GRAFFITI REMOVER

SAFE REMOVAL OF GRAFFITI

GRAFFITI REMOVER is an advanced technology formula that removes tough stains from ink, paint, nail polish and adhesives.

GRAFFITI REMOVER has been re-formulated as a multi-purpose solvent cleaner safe for use on carpet and fabric. It also works well on interior and exterior household paints and varnish, such as 100% acrylic latex and high gloss alkyd enamel. It can be used to remove cosmetics, shoe polish, and rubber heel marks. Has a pleasant citrus fragrance leaves the room smelling fresh and clean.

GRAFFITI REMOVER is uniquely formulated to be totally water soluble which allows it to be rinsed free with water or solvents. This means no re-soiling problems. **GRAFFITI REMOVER** does not contain any halogenated or aromatic hydrocarbons. All ingredients are biodegradable. Unlike methylene chloride based products that evaporate quickly this product remains on the surface to penetrate and soften for easy extraction.

DIRECTIONS:

1. Always test for color fastness.
2. Remove any free dirt, soil and spills.
3. Apply directly to spill and gently agitate.
4. Nature of stain will determine surface time.
5. Easily rinsed.
6. Repeat process for total stain removal.

CAUTION: EYE AND SKIN IRRITANT

In case of contact with eyes or skin, flush with water for 15 minutes. If irritation persists seek medical attention. If swallowed drink large quantities of water. Get medical attention. Consult MSDS for further information.

Please Follow Good Safety
Practices

**KEEP THIS AND ALL CLEANING PRODUCTS
OUT OF THE REACH OF CHILDREN**
