

KEM-ZYME

ENZYME CLEANER & DEODORIZER

KEM-ZYME is a concentrated cleaner containing 200 billion multi-cultured enzyme producing bacteria that consume organic compounds and eliminate odors at their source. This product cleans and destroys odors on hard surfaces and carpeting, while leaving a lasting fragrance. This product is totally safe, biodegradable, non-toxic, non-flammable, and non-abrasive.

For the restaurant and food service industry this product is designed to provide a skid-free surface on all types of floors. When used on a regular basis will reduce injuries from slips and falls caused by grease and food spills.

KEM-ZYME when used on carpet, rugs, and fabrics releases a highly active enzyme which will clean and eliminate malodors caused by urine, fecal matter, vomit, and other organic waste.

GENERAL USE

Recommended Dilution Mix 1-4 ounces of **KEM-ZYME** per gallon of water to deodorize the air and surfaces.

Bathrooms Mix 2-6 ounces of **KEM-ZYME** per gallon of warm water. Spray toilets, sinks, tubs and shower stalls. Mop floors around urinals, toilets and sinks to destroy odors.

Trash Cans, Dumpsters and Heavy Odor Sources Use 8-32 ounces of **KEM-ZYME** per gallon of warm water. Spray inside the trash can and in and around dumpster area thoroughly. Spray heavy odors with **KEM-ZYME** and let dry. In higher temperatures and humid conditions, more frequent applications may be needed.

CARPETS

Recommended Dilutions Mix 2-4 ounces of **KEM-ZYME** per gallon of water to deodorize the air and surfaces. Safe to use on residential stain resistant carpets.

Extraction Add **KEM-ZYME** to Kemper's Carpet Extractor-HP or Carpet Encapsulator.

Prespray Use **KEM-ZYME** to clean and eliminate odors caused by pet stains, food stains and other organic waste.

DRAIN LINE AND GREASE TRAP MAINTENANCE

Drain Maintenance Use **KEM-ZYME** for drain line and grease trap maintenance to help prevent clogs, buildup and heavy odor. Dispense or pour 4 ounces of undiluted **KEM-ZYME** into the drain twice per week.

Grease Traps Dispense or pour 6 ounces of undiluted **KEM-ZYME** daily down the main drain.

**KEEP THIS AND ALL CLEANING PRODUCTS
OUT OF THE REACH OF CHILDREN**
