

MAGIC SHINE

ADVANCED FLOOR POLYMER PROTECTION

MAGIC SHINE is a high speed super concentrated cleaner/maintainer for automatic or mop on use. Floors maintained with this product can be spray buffed or high speed burnished. **MAGIC SHINE** repairs scuffing, scratching while leaving a burnishable micro layer that burnishes to a brilliant gloss. Saves labor by extending scrub and recoat cycles.

SPRAY BUFF Dilute at 2oz./Gal. Spray floors evenly at a range of 12' x 12' to be buffed after product is applied. Using an UHS burnisher with a rubberized synthetic or natural hair buffing pad; buff floor slowly to work in product.

RESTORATION & GLOSS ENHANCER Dilute at 2oz./Gal into a clean mop bucket or auto scrubber. Using a light solution on the floor you should cover approximately 2600-3000 square feet per gallon. Once the floor is dry you may buff using your ultra high speed burnisher and a natural pad. Be sure to buff slowly to ensure the product is worked in properly.

ROUTINE FLOOR MAINTENANCE Dilute product at 4oz./Gal. Be sure and use a light mopping solution and a ultra high speed burnisher while floor is still wet. This will remove deep scuffs, scratches and create a magic shine!

CAUTION: Avoid prolonged contact with vapors. Use in well-ventilated area. Avoid contact with eyes, skin and clothing. Harmful if swallowed. Eye protection and rubber gloves are recommended for handling. If eye contact occurs flush with water for 15 minutes and seek medical attention. Consult MSDS for further information.

Please Follow Good Safety
Practices
