

PRESPRAY PLUS

PRESPRAY PLUS TRAFFIC LANE CLEANER

PRESPRAY PLUS is a fast acting, concentrated traffic prespray and grease cutter that is effective on all types of soil over a wide range of dilutions.

PRESPRAY PLUS penetrates and loosens stubborn water and soil based stains and prepares them for easy extraction.

PRESPRAY PLUS enhances cleaning efficiency, reduces overwetting, and saves labor and time.

DIRECTIONS FOR USE:

PRESPRAY PLUS is safe for carpets that will not shrink or fade. Always test fabric in small hidden area for shrinkage and color fastness before using on a larger area. Vacuum carpet thoroughly. Dilute 4 to 6 ounces per gallon of water depending on concentration of soil. Apply with a sprayer, brush in and let set for five minutes. Use in conjunction with Kemper **Carpet Extractor-HP** or **Carpet Shampoo**. Always read and follow directions for cleaning of carpet and heed machine instructions. For heavily soiled carpets repeat cleaning without first allowing product to dry completely.

CAUTION:
EYE AND SKIN IRRITANT
