

RIDZIT

MILDEW STAIN REMOVER

RIDZIT is especially formulated for cleaning soiled areas and removing mildew stains from ceramic tile, porcelain, plastic, fiberglass, vinyl, shower curtains etc.

DIRECTIONS: Spray mildewed areas completely from a distance of 6 to 8 inches. Thoroughly rinse with water after the mildew stains disappear, usually in about one minute. This product is not for use on colored fabrics or black canvass, but test on inconspicuous area of any material before using. **DO NOT** use on steel or aluminum.

CAUTION: This product contains sodium hypochlorite and sodium hydroxide. Do not use with ammonia or toilet bowl cleaners.

RIDZIT is neutralizable and biodegradable.

CAUTION:

EYE AND SKIN IRRITANT

In case of contact with eyes or skin, flush with water for 15 minutes. If irritation persists seek medical attention. If swallowed drink large quantities of water. Get medical attention. Consult MSDS for further information.
