

SUPER CEN CLEAN

INDUSTRIAL STRENGTH BUTYL DEGREASER

SUPER CEN CLEAN may be diluted with up to 100 parts water depending on the job to be done. It is recommended for cleaning industrial equipment and machinery, walls, floors and small parts. It may be also used as an all-purpose cleaner for marine, automotive and transportation industries, and as a general all-purpose household cleaner. Concentrated, it is an excellent white wall tire cleaner. It will clean decks, boat hulls, engines and upholstery. Diluted, it is recommended for cleaning vinyl tops, upholstery, painted surfaces, countertops, and fiberglass.

DIRECTIONS:

To apply **SUPER CEN CLEAN**, simply spray, wipe, or brush on. Agitate if necessary and rinse clean with water. Dilute with water.

*General Cleaning	1 to 20
*High Pressure	1 to 30
*Steam Cleaning	1 to 50
