## HEAVY DUTY DEGREASER & CARBON REMOVER

**DESCRIPTION:** **GRILL & OVEN CLEANER** is a highly concentrated alkaline product designed for the fast and efficient removal of carbonized oil, encrusted grease and burnt on food particles from grills, burners and FRIES vats without scouring or scrubbing. This compound cleans quickly and thoroughly by the combined chemical and physical action of penetration.

**APPLICATION:** Recommended for cleaning grills, deep fat fryers and burners. It is recommended exclusively for use on iron, steel, copper and ferrous alloyed surfaces. It will attack soft metal such as aluminum or painted surfaces.

**DIRECTIONS:** When handling, wear protective clothing such as rubber or neoprene gloves, goggles or face shield and impermeable apron, and observe the warning on the label and on this technical bulletin.

### FOR GRILL CLEANING:

1. Adjust grill temperature to 175-200F.
2. For initial cleaning, dilute concentrate with an equal volume of water and pour on the grill. Using a flat spatula, work solution around the surface and into corners of the grill. Wipe off loosened carbon and food with a damp towel.
3. After the initial cleaning, only 1 part **Grill & Oven Cleaner** to 4 parts water will be necessary for daily cleaning.
4. Rinse the grill with water.
5. Re-season grill with cooking oil for 10 minutes at cooking temperature to prevent food from sticking.

### FOR RACK AND BURNER CLEANING:

1. Use a large stainless container, black iron pot or stainless sink or sufficient size to immerse racks or burners.
2. Use approximately 8 oz. of **Grill & Oven Cleaner** per gallon of water.
3. Simmer for 30 minutes or soak in sink overnight.
4. Rinse thoroughly with water.

**NOTE:** If cleaning less frequently than weekly, use 10 ounces concentrate per gallon of water.

**PRECAUTION:** KEEP OUT OF REACH OF CHILDREN. Contains Potassium Hydroxide and Sodium Metasilicate. Causes severe burns to eyes and skin. Do not get in eyes, on skin or clothing. Do not take internally. Wash thoroughly after handling. When handling, always wear chemical splash goggles or face shield, rubber gloves and protective clothing.

**NOTE:** Do not use on painted surfaces, aluminum or wood. Use only on ferrous metal.

**FIRST AID: EYES AND SKIN:** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. Remove contaminated clothing and shoes. Wash clothing before reuse. Destroy contaminated shoes. **INGESTION:** If swallowed, do not induce vomiting. If person is conscious, give large quantities of water or milk, if available. Get medical attention immediately.

Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.
